Had most of our games so far this season been played over 85 minutes we would be sitting in a much more comfortable position. The horrors of the last few minutes have haunted us since the opening day — and cost us dear.

Take Peterborough United or Scarborough (twice) and then, on Tuesday night, AFC Bournemouth.

I would be the first to admit that we didn't play particularly well against AFC Bournemouth, but after hoisting ourselves back into the game we then tossed it all away right at the death.

Frustrating, sickening — call it what you like, but it has to stop. We have made some bad mistakes to lose late goals and it all makes life harder than it need be.

The players were very tense and tentative the other night and there appeared to be a lack of confidence in certain quarters. Our job is to lift them and we hope to see a better display today against Bradford City, another tough fixture.

Although these are very early days it is important to keep in touch with the top grouping and winning home games is essential if you are to have any hope of making an impact.

You might have the best product in the world, but, if no-one knows, you are wasting your time.

I have always been a big believer in "public awareness" or, in football matters, "supporter involvement".

Selling soccer used to be easy, glory days when the game was at its peak and venues such as Deepdale housed regular gates of 30,000.

Nowadays it is different and that is why it is more important than ever to get the supporters' backing in all aspects of club life.

We all appreciate that what goes on out on the pitch on match days controls the success/failure of the club. People want to be associated with success.

Off the field, however, there is a responsibility to strive for fan support in many ways.

On Tuesday we announced the launch of a new raffle - the 1991 Micra Car Draw - which we hope will prove a huge success between now and December.

Life in the lower divisions leaves a constant struggle to maintain financial stability.

The importance of cash flow cannot be over-

Away The Lad!

Much has changed in Russia over the past few weeks.....it is now fashionable to sport a PNE scarf in Moscow's Red Square!

The lad pictured spreading the Deepdale Gospel - I wonder if they have heard about Update? - is loyal North End follower David Thorpe, of Longridge.

David, 24, is soon to leave both home and job in Lancashire to seek his fame and fortune in the USA.

A PNE fanatic since he was a toddler (his parents, brother and sister all made regular outings to Deepdale) David has travelled all over the country to watch his favourite football team. In the '80s he missed only a handful of games.

His travelling though has not been restricted to beauty spots like Hartlepool, Swansea and Brentford.

In the summer of 1989 he toured Western Europe by rail and ferry and last year did the rounds of Eastern Europe taking in Berlin, Moscow, Budapest and Vienna.

Aside from North End his other great passion is music. David plays the saxophone and hopes to make a living as a music specialist.

Footnote: We are reliably informed by his brother, Michael, that David is not aware of this publicity. Anyway good luck in the future and keep cheering for PNE.

Summer Activities Update

Hello Again, Over the summer period a great deal of priority has obviously been given to the organisation and staffing of soccer schools. This year I have attempted to alter the format of the soccer schools held at Deepdale to maintain the interest of our 'regular' attenders and to attract new participants in what I feel is a value for money package.

The three day soccer schools held at Deepdale have been extended to five days. This enables us to incorporate not only our technique practices, but also a great deal more fun related activities. Many parents had also intimated to us that from their point of view a full week's course appeared more attractive. Feedback from the first 5 day course in July has been excellent.

PNE Soccer School on the road:

Although our soccer schools held at Deepdale attract people from many of the outlying districts to a convenient central location. There are a number of children in rural and locations who fail to attend due to transport difficulties. With this in mind we organised a number of soccer schools 'On The Road', at venues as far afield as Lytham, Longridge and Goosnargh. Despite the take up of places on these courses being only moderate, those who did participate enjoyed the experience immensely and we expect the take up on such courses to increase substantially in the future.

Longridge Soccer School:

Special mention must be made of this particular course as there were a number of encouraging things to come out of it.

The course itself was organised by my office in collaboration with Ribble Valley Borough Council and Longridge Sports Centre.

The aims were to provide a structured three day course for the children of the area, increase holiday usage of the sports centre and to raise the profile of the football club in this particular region.

To encourage take up of places a competition was run by the community office through a local paper, and 2 winners won 'free places' on the soccer school. The 2 winners were duly invited to Deepdale, where the manager Les Chapman presented them with a T-Shirt and the Lancashire Evening Post took photographs.

We have now been asked to make this an annual event, and the sports centre manager has even asked us to discuss the possibility of organising courses periodically right throughout the year.

Watch this space for information regarding future courses and all forthcoming community activities.

Refreshing the Memory with Mike Payne

When Preston North End made the journey across the Pennines to play Bradford City in a Division Three match on the 3rd October 1970, it was the first time for 37 years that they had visited Valley Parade. It was a happy day for us too, as we won well by two goals to nil. Alan Spavin was the star, giving a vintage midfield display, and but for City's goalkeeper Pat Liney Preston would have trebled their score. A Dave Wilson cracker and a Gerry Ingram header did the damage as far as Bradford were concerned.

That game had given manager Alan Ball Senior another chance to see a player he had fancied for awhile and a couple of weeks later we were able to make one of our best short term signings, Bobby Ham. Ironically, when the two sides met for the return at Easter the following year, it was Ham who scored our goal in the 1-1 draw. Nearly 19,000 people watched that game but were disappointed when Graham Oates equalised.

Former North Ender Alex Spark was in the Bradford City side when the two teams met again six years later. The match again ended in a 1-1 draw after a goal from John Smith was cancelled out by one from Dave Fretwell. Bradford City's goalkeeper Peter Downsborough had eight minutes off the field after a collision with Alex Bruce. John Middleton took over in goal before a huge cheer welcomed the goalkeeper back in the 61st minute. The return clash that 1977/8 season came on March 4th and was at a time when Preston were pushing for promotion and Bradford City were struggling. As a result North End enjoyed a 3-1 success although it must be said that our visitors played well without any luck. A tremendous volley by John McMahon and two opportunist strikes by Mike Elwiss sealed the points. It was another eventful match for Middleton, this time he was sent off following a foul on Gordon Coleman.

A Christmas clash came next in 1982 and the referee obviously had a new pen for a present as he booked six players in the goalless draw. One of them being a certain Les Chapman, playing for Bradford City at the time. Preston's hero that day was Peter Litchfield who had a great game in goal. The return on April 4th 1983 gave Preston a fine 2-1 win. Alan Gowling and a penalty from Andy McAteer beat City, the penalty being conceded by their player/manager Trevor Cherry.

Since that victory Preston and Bradford City have met six times and the Yorkshire men have won every one of them! We have scored five goals in that period but Bradford City have replied with 18 so there is certainly room for improvement today.

The only other post-war clash in league or cup game in the F.A. cup on January the 24th, 1959. In a fourth round match played at Deepdale, Bradford, then a Third Division club playing against a First Division outfit, almost upset their illustrious hosts and gave a fine display in a typically rousing cup-tie. The first-half had been void of any real excitement apart from a well taken goal from Alex Farrall in the 36th minute. But after the interval Bradford City made a real fight for it. Although Frank O'Farrell lobbed a second goal on 51 minutes City then hit back when a David Jackson shot flew in off of John McCole's chest. The 5,000 Bradford fans were urging their team on and 12 minutes from the end Preston's goalkeeper Micky Lynne could only palm out a corner, the ball dropped for Jimmy Lawlor who promptly thumped it into the net. Just when it seemed a replay was on Dennis Hatsell broke Bradford's hearts by scoring a last minute winner.

TRIVIA

At the time of the 1977/8 clash at Valley Parade, Preston were involved in two possible transfer deals. They were interested in buying Bobby Gould, the Wolves striker, and Aston Villa were looking to buy Steve Doyle. Neither deal actually materialised.

CORNER

TRIVIA

You will notice that several of the players mentioned in this article have played for both clubs.

Also, three North Enders have taken penalties against Bradford City. Andy McAteer and Jon Clark scored from theirs but Steve Elliott missed one in 1984

PONTIN'S LEAGUE - DIVISION TWO
THURSDAY, 29th AUGUST, 1991

North End Reserves (0) 0
Middlesbrough Reserves (0) 1
Attendance 106.
Waller 68th minute.

NORTH END RESERVES:-
Kelly, Davies, Siddall, Eaves (Capt), Hughes, Lambert, Finney, Cartwright, Thomas, Burton, Christie.
Subs.: Burrow for Hughes (45 minutes) - Critchley for Finney (74 minutes)

MIDDLESBROUGH RESERVES:-
Ironsides, McGee, Waller, Lauderdale, Mohan (Capt), Liddle, Ferguson, Hamilton, Cavanagh, Arnold, Young.
Subs.:Peverell for Ferguson (46 minutes) - Moore (not used)

Boro' always bring a strong reserve side to Deepdale. They won well on their last two visits and it was no surprise to see North End's mostly young side defending for long periods in the first half.

The visitors had numerous scoring chances and only some magnificent goalkeeping from Alan Kelly kept Preston level, two he saved from Ian Arnold were right out of the top drawer.

It was (39 minutes) before North End had a serious shot on target, a 25 yarder from Burton which Ironsides saved, the same player fluffed another chance laid on for him by Christie.

The first fifteen minutes after the interval was Preston's best period, Finney, Thomas and Burton all forced Ironsides into some sort of action at long last. But Walker gave Boro' the lead with a well struck shot which even Kelly couldn't save, it whistled past his right hand side and into the top of the net. (68 minutes).

North End Man Of The Match
Alan Kelly

Kelly then made another string of fine saves to keep the score respectable, one a fantastic one handed save from Hamilton was well worthy of note.

Programme a Hobby

COLLECTING FOOTBALL PROGRAMMES

Part 4 of a series by John Litster, Editor of "Programme Monthly" magazine

EXPANDING YOUR COLLECTION

Buying programmes at matches attended, and exchanging with friends are fine means of starting a programme collection, but will prove to be frustratingly limited with those who seek to expand their collection and complete their chosen sets.

The hobby has several mechanisms to meet more exacting requirements by collectors. One of the most accessible, and longest established, is the club shop. Run either by the commercial department or the supporters club, the souvenir shop most often has a programme section managed by an experienced collector who spends countless hours obtaining a wide variety of programmes for his local clientele. The best of these shops can be a rich and enduring source of almost every category of football programme.

Programme Fairs are arranged throughout the country on most Sundays, and it is a good idea to watch for press advertisements and notices in your club programme which announce these events in your locality. In many respects, these are an extension of the club shop, enabling collectors to leaf through thousands of programmes brought along by stall holders, thus enabling them to add to their chosen speciality.

If collectors are searching for an elusive issue, or a number of rare or obscure programmes, finding them at a club shop or programme fair is a little bit "hit or miss", although the euphoria at obtaining a much-sought- after programme, at a bargain price, at an unlikely source, is one of the finest feelings in collecting. Such searching is most usefully conducted through a selection of mail order catalogues issued periodically by programme dealers located throughout the country. These catalogues are listings of thousands of programmes of all categories and prices and the best of them will contain most programmes required by comparatively recent collectors wishing to complete their first sets.

**Programme Monthly is available from 14 Raith Crescent, Kirkaldy, Fife, FY2 5NN, priced £1.30 plus 30p postage.*

CITY JINX

Bradford City have proved something of a jinx team here at Deepdale in recent encounters. Indeed, the men from Valley Parade have won their last three fixtures here, 2-1 (1983-84), 4-1 (1984-85) and 3-0 (1990-91). We have only triumphed once since the war, a 3-1 success back in 1977-78. We have fared slightly better at Valley Parade with two wins from six trips.

LITTLE 'N' LARGE

Deepdale may be the only plastic pitch in the Football League, but which are the biggest and smallest playing surfaces? Funnily enough both extremes can be found in Division Three. The biggest is down at Leyton Orient (120 yards x 80 yards - bigger than Wembley) while the smallest is at Swansea City (110 x 70). Our next two away games..... Swansea and Leyton Orient!

SHOOT OUT

This afternoon's penalty shoot-out features the Junior Whites under 11's. In the white shirts are Marc Thomas, Steven Robinson and Gary Jemson and in the red shirts are Andrew Croasdale, Mark Cooper and Raymond Jackson. The goalkeeper is Christopher Addison. In the half-time contest during the Torquay fixture, the Whites won 8-7. In the under 15's contest during the Scarborough cup tie the Whites again came out on top 10-7.

ALAN'S GAME

This afternoon's match mascot is Alan Smith, pictured right, of Carnforth. Ten year old Alan is keen on football and drawing and attends North Road County Primary School, Carnforth. His favourite PNE players are Alan Kelly and Graham Shaw - have a good afternoon Alan.

HELP AN OWL

As a collector of Sheffield Wednesday programmes I find I have some missing against PNE. Has anyone got a copy of the PNE v Wednesday games in 1953-54 (League) and 1956-57 (League) and the FA Cup second replay at Everton in 1956-57. If so please get in touch with me, Alan Ledger, 13 Chestnut Walk, Elson, Gosport, Hants PO12 4BH.

On this day ..

7th September

The following is a selection of games played by PNE on this date.

1892 Away vs. Northwich (friendly) Won 7-0
1895 Home vs. Wolverhampton Wanderers (league) Won 4-3
1908 Home vs Chelsea (league) Won 6-0
1914 Home vs Grimsby Town (league) Won 3-0
1946 Away vs Grimsby Town (league) Won 3-2
1963 Away vs Southampton (league) Won 5-4
1968 Away vs Bury (league) Won 1-0
1974 Away vs Aldershot (league) Won 2-1
1985 Home vs Torquay United (league) Won 4-0

Did you know that Bill Shankly's uncle used to play for PNE? It's true, in fact his uncle, Bob Blyth scored against Wolves on this date in 1895.

Hat-tricks on this date were scored by Charlie Dawson (1908) and Willie McIntosh (1946).

A more well known Dawson, Alex (no relation) scored two of the goals in a 5-4 win at Southampton exactly 28 years ago.

IAN RIGBY

Football Beat

Dear Supporter

After only a couple of football beat articles, I am pleased to be able to say that Inspector Walsh, my predecessor, has been promoted to Chief Inspector and will, in future, be working from Chorley Division. Inspector Walsh has been responsible for policing Preston North End home fixtures for the past 3 seasons and I'm sure you will join me in wishing him well in his new position.

Having taken over from Inspector Walsh, I am keen to continue the progress that has been made in the policing of football matches.

I have some experience to draw on having policed a number of matches at Deepdale. I have had detailed discussions with Constable Phil Billsborough and Sergeant Neil Middleham who have special responsibility for football policing and I am looking forward to a close working relationship with the Club's Ground Safety Officer, Mr John Hilton. It is my intention to meet with the Supporters Club in the very near future as I firmly believe that football is all about the supporters. I wish to solicit the views of as many supporters as possible on all aspects of football policing and to this end, I would invite you to write to the official Supporters Club at Executive Box 15, P.N.E.F.C., Lowthorpe Road, Preston PR1 6RU or to me at Preston Police Station, Lawson Street, Preston, PR1 2RJ

To start on a positive note, I would like to mention the excellent feedback we have received about the travelling support that has followed PNE this season which numbered:

Wigan	1,602
Peterborough	452
Scarborough	225
Stockport	1,200

Only 2 arrests have been made and one was a supporter who attended the Scarborough match whilst the subject of an exclusion order. The local police at all the above places were impressed with the friendliness and good humour of our supporters in spite of the disappointing results on the pitch. Let's keep working together to bring back that great friendly atmosphere at Deepdale.

Collectors Corner

Seeing that this afternoon's opponents are Bradford City it would seem appropriate to feature a team sheet issued for a pre-season friendly fixture played between Bradford City and Preston North End, back in 1975. It was North End's 5th pre-season friendly and the game resulted in a 2-2 draw, with John Bird and Ray Treacy netting Preston's goals. Bradford had two ex-North Enders missing from their line-up, Bobby Ham and Gerry Ingram, as they were both still out playing in America.

There is nothing worse than travelling away to see a friendly fixture only to find out that the home club could not be bothered to print even a single team-sheet, especially if you are a keen programme collector. On the whole, single sheet issues are usually rarer than standard programmes and as a result programme dealers tend to overprice such items.
